Editions. By date

The manuscripts of the three books Vendidād, Vispered and Yasna appear in two different forms according as they are accompanied, or not, by a Pahlavī version. If the books are kept separate as three divisions, each part is usually accompanied by a Pahlavī version. If for liturgical purposes portions of one book are mingled with another, and arranged in the order in which they are to be used in the service, the Pahlavī translation is omitted, and the collection is called the Vendidād Sādah or "Vendidād pure", i.e. text without commentary. The second group comprising the minor prayers and the Yashts is called the Khordah Avesta or "small Avesta."
